**BUREAU OF MILK POOLING
POLICY AND PROCEDURAL LETTER NO. 20**

QUOTA CERTIFICATES

The Department will consider the issuance of more than one production base and pool quota certificate on a single production facility if all of the following criteria are met:

1. Only one certificate can be issued for each legal entity operating at a single production facility.
2. Each entity must qualify as a producer in its own right.
3. Each entity must produce milk from a separate and identifiable herd.
4. Each entity must obtain its own Market Milk permit.
5. Each entity must have a separate holding tank for the collection and marketing of its production.
6. Each entity must have its own contract or membership agreement for the marketing of its product.
